

NOTICE OF INVITATION FOR BID (IFB)

OMAHA RAPID BUS TRANSIT (ORBT) ROADWAY PACKAGE ORBT PLATFORMS, OMAHA, NE
PROJECT #: NE-79-X001 Spec: 29-18
("Project")

The Transit Authority of the City of Omaha, d/b/a Metro ("**Metro**") is requesting bids from qualified responsible contractors for the performance of Work (as defined in the IFB Documents) in conformity with the Contract Documents (as defined in the IFB Documents). Metro will receive sealed bids for that purpose, until **February 26th, 2:00 p.m** Central Time, ("**Submission Deadline**") at which time Metro will publicly open and read the tabulated bids. A non-mandatory pre-bid meeting will be held at **2 PM** on **Tuesday, February 5, 2019** at Omaha Metro offices at 2222 Cuming Street, Omaha, NE 68154.

Prospective Bidders should refer to the Bid Documents for a detailed description of the Project and the Work, including the required deliverables and end products. For information purposes, the work includes, but is not limited to; construction and finishing of 24 ORBT Station concrete platforms, subgrade preparation, utility relocation, roadway paint marking and station power and communication utilities.

The current forms of the IFB and all issued Addenda are available for inspection at Metro's Administrative Offices located at 2222 Cuming Street in Omaha, Nebraska ("**Administrative Offices**") and online at the following links <http://www.standardshare.com> and www.ometro.com. Metro reserves the right to modify all or any of the same at any time prior to the Submission Deadline through an Addendum.

Funds for project are being provided through a Federal Transportation Administration grant. Federal Provisions applicable to this project are included in the bid package. The bid proposal must be made on the forms provided by Metro. Bidders must supply all required information prior to the time of bid opening.

Bids must be addressed and delivered to Metro at the following address. This is also the address to be used for all communication in connection with this IFB:
