

Request for Proposals

Omaha Metro – Installation of Compressed Natural Gas (CNG) Station Canopy

Omaha Metro Transit

PROJECT #: NE-90-X111, Spec. 12-19

Sealed proposals will be received at the Offices of the Transit Authority of the City of Omaha, d/b/a Metro (**Metro**), Omaha, Nebraska, until **2 PM** local time, on **Tuesday, March 5, 2019** for the furnishing of all labor, materials, use of Contractor's equipment, and all else necessary to procure and properly install the CNG dispenser canopy at the Omaha Metro Transit site located at 2222 Cuming Street in Omaha, NE. A non-mandatory pre-bid meeting will be held at **3 PM** on **Tuesday, February 12, 2019** at Omaha Metro offices at 2222 Cuming Street, Omaha, NE 68154.

The project includes procurement of the specified dispenser area canopy, erection of the canopy on the Metro site, and making required electrical and other connections for the canopy and associated security infrastructure.

Plans, Specifications, Davis-Bacon Wage Rates, and Contract Documents may be examined and downloaded free at www.standardshare.com and available online at www.ometro.com.

Funds for project are being provided through a Federal Transportation Administration grant. Federal Provisions applicable to this project are included in the bid package. The bid proposal must be made on the forms provided by Metro. Bidders must supply all required information prior to the time of bid opening.

Envelopes containing proposals must be sealed and addressed as identified in the Request for Proposal Documents.

Dated this date January 30, 2019.

BY The Transit Authority of the City of Omaha, d/b/a Metro
