TERMINATION

Termination for Convenience by Authority.

Any Contract, or any part thereof, awarded by the Authority pursuant to this RFCP shall be subject to termination at any time by the Authority upon notice in writing to be effective as of the date of receipt of such notice. Upon receipt of such notice, Contractor shall, unless otherwise specified in the notice, immediately stop all Work and, to the extent permitted under each applicable subcontract or agreement, give prompt written notice to Subcontractors to cease all related Work. In the event this Agreement is terminated by application of this Section (a), Contractor shall have no claim, right, remedy or entitlement for damages, compensation or equitable relief for early termination other than as provided in Section (b). Contractor waives any other right, remedy or recourse of any nature whatsoever it may have now or at any other time against the Authority and the FTA.

In the event of termination for convenience pursuant to Section (a), Authority shall be responsible to pay the Contractor only for all authorized Work performed up to the date of termination and conforming to the Contract, without allocation of profit for unperformed, remaining or incomplete Work. In no event shall the aggregate charges to be paid by Authority pursuant to the preceding sentence exceed resulting from the percentage of the completed Work to that remaining multiplied by the aggregate Contract price. In the event of such termination, Contractor shall have no recourse against Authority except as earlier stated in this Section (b) and as follows: Contractor shall be entitled to receive reimbursement from Authority an amount equal to the sum of: (i) the reasonable out-of-pocket costs actually and necessarily incurred by Contractor in withdrawing its equipment and personnel from the Work and otherwise demobilizing; (ii) the actual, reasonable and necessary costs reasonably incurred by Contractor in terminating those contracts, not assumed by Authority, for Subcontractors; (iii) provided, however, Contractor shall not be paid for any Work after receipt of such notice or for any costs incurred by Subcontractors after receipt of Customer's termination notice, or for Work which Contractor could reasonably have avoided Contractor. Contractor shall document any cost claimed by it to Authority's reasonable satisfaction and shall supply Authority with copies of all invoices for Subcontractors covering the amounts claimed as costs for such purpose. Contractor shall submit an invoice to Authority for the amount of reimbursement claimed by Contractor with all supporting information and requisite documents. Unless disputed in good faith by the Authority, Customer shall be paid such amounts within thirty (30) business days after Customer delivers all Work, completed or not completed, in its then current

form, free and clear of all liens and assigns to Authority together with any subcontracts, duly assigned, that Authority is willing to assume.

Suspension by Authority

Upon seven (7) days' prior notice, the Authority may suspend, delay, or interrupt for up to six (6) months the Work or the Project for the convenience of the Authority. In the event such suspension, delay, or interruption causes a change in Contractor's cost or time required for performance of the Work, the Parties will agree on an equitable adjustment through a written amendment to the Contract to be signed by Authority and Contractor. A suspension may be withdrawn by Authority upon five (5) days' written notice to Contractor. Any suspension, delay or interruption that exceeds six (6) months shall be deemed to be a termination by Authority and Contractor shall be compensated by Authority as if this were a termination for convenience.

Termination for Default by Authority. Without prejudice to any other remedy or recourse, including its right to seek damages, the Authority may:

(a) Terminate the Contract effective immediately upon Contractor's receipt of written notice from Authority specifying any of the following events:

- (x) The failure to properly maintain, provide or permit Authority access to any books, records, bank accounts or documentation related to the Contract.

(b) Terminate the Contract, if any of the following (which shall also constitute a material default or breach of the Contract) is not cured to the satisfaction of the Authority within the earlier of thirty (30) days or the time prescribed therefor, in either event from the receipt of written notice from the Authority specifying such breach or default:

- (i) Contractor fails to conform operations which are in violation of the Laws because of a change in the Laws within 30 days following the effective date of such change.

Termination under this Section shall be effective as of the expiration of the period so specified without the necessity of further action by the Authority.

Wrongful Termination by Authority

In the event the Authority shall wrongfully terminate the Contract, unless otherwise agreed by the Parties in writing, to re-instate or otherwise continue the Contract in accordance with its terms, the Authority's termination shall be construed to be a termination for convenience.

Future Breach not Waived

No waiver by Authority of any breach or default by Contractor under the Contract shall operate or be construed to operate as a waiver of any other existing or future breach or default, whether of a similar or different character. Failure of the Authority to insist upon strict performance of any provision under this Agreement shall not constitute a waiver of, or estoppel against asserting the right to require strict performance of any other provision of this Agreement or the same provision in the future, nor shall a waiver or estoppel in any one instance constitute a waiver or estoppel with respect to a later default or breach. No waiver by any Person of any default by any Party in the performance of any provision, condition or requirement herein shall be deemed to be a waiver of, or in any manner release of, said Party from performance of any other provision, condition or requirement herein; nor shall such waiver be deemed to be a waiver of, or in any manner a release of, said Party from future performance of the same provision, condition or requirement. Any delay or omission of any Party to exercise any right hereunder shall not impair the exercise of any such right, or any like right, accruing to it thereafter. No waiver of a right created by this Agreement by one or more Parties shall constitute a waiver of such right by the other Parties except as may otherwise be required by law with respect to Persons not parties hereto. The failure of one or more Parties to perform its or their obligations hereunder shall not release the other Parties from the performance of such obligations.

Contractor's Right to Terminate

Contractor shall not be entitled to terminate the Contract for any reason except as provided in this Section. In the event that the Authority fails to timely pay to Contractor any undisputed amounts due pursuant to the terms of the Contract, Authority shall be in default under this Contract and Authority shall be allowed thirty (30) days from receipt of a written notice of such default from Contractor in which to cure such default, after which Seller may immediately terminate this Contract by written notice to Buyer. Any amount disputed by Authority to be due under this Contract must be disputed in good faith.

Waiver of Contractor's Other Remedies

Except as provided in Section (6), Contractor waives any claim or other right it may have to proceed in law or equity against Authority or to otherwise obtain any money or any damages under or in respect to this Contract for any wrongful or other termination or for any default or breach in the keeping or performance of any warranty, covenant or obligation under or in respect to this Contract by Authority or for any other act, operation or omission of Authority in respect to the Contract, under any theory whatsoever.

CARGO PREFERENCE

The contractor agrees to use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to the underlying contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels.

To furnish within 20 working days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to the FTA recipient (through the contractor in the case of a subcontractor's bill-of-lading.)

To include these requirements in all subcontracts issued pursuant to this contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.

FLY AMERICA REQUIREMENTS

The Contractor agrees to comply with 49 U.S.C. 40118 (the "Fly America" Act) in accordance with the General Services Administration's regulations at 41 CFR Part 301-10, which provide that recipients and sub-recipients of Federal funds and their contractors are required to use U.S. Flag air carriers for U.S Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. The Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. The Contractor agrees to include the requirements of this section in all subcontracts that may involve international air transportation.

ENERGY CONSERVATION

The contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

RECYCLED PRODUCTS

These requirements apply to contractors and sub-contractors at all tiers. The Recycled Products requirements apply to all contracts for items designated by the EPA, when the purchaser or contractor procures \$10,000 or more of one of these items during the fiscal year, or has procured \$10,000 or more of such items in the previous fiscal year, using Federal funds.

The contractor agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247.

ADA ACCESS

The contractor agrees to comply with the requirements of 49 U.S.C. § 5301 (d), which states the Federal policy that the elderly and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement that policy. The contractor also agrees to comply with all applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps, with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 *et seq.*, which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act, and with the Architectural Barriers act of 1968, as amended, 42 U.S.C. §§ 4151 *et seq.*, which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act. In addition, the contractor agrees to comply with any and all applicable requirements issued by the FTA, DOT, DOJ, U.S. GSA, U.S. EEOC, U.S. FCC, any subsequent amendments thereto and any other nondiscrimination statute(s) that may apply to the Project

STATE AND LOCAL LAW DISCLAIMER

All regulations listed in this document apply to the Third Party Contractor in the same manner as they apply to The Authority. Offers will be received and reviewed, but no contract shall be awarded until all applicable Federal, State and Local Government regulations have been complied with.

This subsection shall not be understood, construed or enforced in any manner that would require an employer to give a preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or a former employee.
